THE EARTHMOVER & CIVIL CONTRACTOR AWARDS

The Earthmover & Civil Contractor is Australia's leading construction publication, as it has been for much of its 53 year history.

As the official magazine of the Civil Contractors Federation, we enjoy unrivalled access to the market and a reputation as the 'must read' industry journal. Approaching our 50th year of continuous publication is an appropriate time to introduce a definitive industry event, which recognises the achievements and endeavours of those engaged in Australia's construction industry.

The Earthmover & Civil Contractor Awards have been positioned to become the public face our industry to the Australian community at large, the awards program will celebrate the talents and skills that are unique to our industry; and showcase us at our best.
